

Mosler 302/402

MAG557305

This Template is designed for the Mosler 302/402.

The labels (printed letters on templates) are defined as follows:

- F - Center for the fence
- B - Borescope hole next to the fence
- R - Center of the relock

The template is illustrated with drill points positioned for a right hand mounted lock. Depending on the lock mounting in the safe, the template can be rotated and mounted for any lock hand.

To mount the template, remove the dial and dial ring from the safe. Use the 8-32 screws to secure the template to the safe, orienting the template in the proper handing position.

To mount the **Bullet II Base** to the template, choose the proper drill point and attach the **Bullet II Base** to the template using the 8-32 screws.
